Re: **In the Matter of Implementation of Section 621(a)(1) of the  
Cable Communications Policy Act of 1984 as amended by  
the Cable Television Consumer Protection and Competition  
Act of 1992 (MB Docket No. 05-311)**

**Request for Stay**

Dear Chairman Martin:

On December 21, 2007, the National Association of Telecommunications Officers and Advisors, the National League of Cities, the National Association of Counties, the U.S. Conference of Mayors, the Alliance for Community Media, and the Alliance for Communications Democracy filed a Request for Stay in the above-referenced proceeding. To date, we have not received any formal or informal notification from the Commission as to the status of our request. In light of the conflicting comments filed with regard to the scope of applicability of the *Second Order*, and as outlined again in our Reply to Oppositions to Petition for Reconsideration and Clarification filed on February 21, 2008, a stay is particularly appropriate.

It would be appreciated if the Commission would provide us with a written response regarding our request.

Thank you for your prompt attention to this matter.

Sincerely,
